6) Now that the Village Panchayet work of the Taluk Office has come to be a necessary and important feature of the Office, it is desirable that the supply of stationery for the purpose is placed on a permanent footing. The cost of the supply cannot however be possibly met out of the small fixed contingent grant or the small allotment from the Rural Reconstruction - Contingencies (Budget Head 30 - 5), reduced from Rs.15,700/- in 1929-30 to Rs.3,000/- in 1932-33. I would suggest that the question of stationery and forms supply for the Taluk Office Village Panchayet work, may be treated in the same way as the supply of stationery and forms to other branches of the Taluk Office, from out of the Stationery Budget Grants.
